

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Ann Coblentz v City of Novi**
Docket No. **288764**
L.C. No. **2003-046760-CZ**

Mark J. Cavanagh, Judge, acting under MCR 7.211(E)(2) and MCR 7.216(A)(7), orders:

On the Court's own motion, appellants' brief is STRICKEN because it raises an issue outside the scope of this appeal. As provided by court rule, MCR 7.203(A)(1), and by this Court's January 7, 2009, order, this appeal is limited to review of the lower court's October 16, 2008, order granting attorney fees and costs. Issue I of appellants' brief seeks review of an earlier order which is outside the scope of that review. Plaintiffs-appellants may file an amended appellants' brief within 21 days of the Clerk's certification of this order and the brief will be considered timely filed if received within that time. Appellee's brief will be timed in accordance with MCR 7.212(A)(2)(a)(ii) from the filing of the amended appellants' brief.
